

What is worth passing forward?

When given the chance (focus groups + surveys + outreach), students will be invested in campus changes.

✓ Student voices

✓ ✓ website

✓ Multi Year Study
including Multi Year
Calendar Model

✓ Our experience as a learning
process for future conversations

✓ Student focus groups -
the info they shared
regardless of term
length, e.g. our book
loan program is
valuable & takes a
while to deploy - we need
to accelerate

Perceived reasons to compress
and to not compress ^{student}
(+) eg rest btw semesters, work opp,
intersession opportunities
(-) eg too fast paced, learning loss

✓ ✓ lessons learned - make sure all groups
have robust representation from beginning of process

That we are very pulled
in both directions: for every
positive, there's a negative ✓ ✓
