Type Presentation

BACKGROUND INFORMATION -

The two programs below will be the topics for the Chabot College presentations.

President’s Leadership Institute (PLI) Scholarship Program: Cohort #1

This scholarship includes participating in a year-long program with Chabot College President, Dr. Jamal Cooks. The scholarship is designed to identify service-oriented students to serve others, while participating in leadership development training and receiving academic support and enrichment opportunities that helps support student success and completion of graduation and/or transfer requirements. This scholarship includes an annual \$1,000 stipend (\$500 per semester) for books and other educational materials.

Exploring the Future Chabot College Dental Hygiene Program: Yesterday, Today, Tomorrow

The Chabot College Dental Hygiene Program is a high-performing, workforce-driven program that prepares students for in-demand healthcare careers through rigorous academic and clinical training. With a consistent 100% licensure pass rate, the program reflects both instructional excellence and strong alignment with regional healthcare needs.

BACKGROUND INFORMATION -

The two programs below will be the topics for the Las Positas College presentations.

LPC Students Published at KQED

This presentation will focus on LPC students published and aired on KQED & NPR as a part of its Youth Perspectives Series.

NNSA (REAP) Grant

The NNSA REAP Grant presentation will provide an overview of the collaboration between Las Positas College and Lawrence Livermore National Laboratory to develop a workforce pipeline for technical careers. It will highlight the program’s goals, including expanding access to hands-on training in areas such as welding, laser optics, and additive manufacturing, and preparing a diverse pool of students for employment within the Nuclear Security Enterprise. The presentation will also share examples of student outcomes and program impact to date.
