CHABOT COLLEGE:

1. Door TC153 – The following is in addition to installing the specified door hardware and core:
 - Install new (owner supplied) insert frame inside existing frame. True and square new frame for proper hanging of new door.
 - Install new (owner supplied) 4/0 x 7/0 door with door specified hardware and new (owner supplied) butt hinges.

2. Door TC164 – The following is in addition to installing the specified door hardware and core:
 - Install new (owner supplied) 3/0 x 7/0 door with door specified hardware and new (owner supplied) butt hinges.

Both doors will be prepped for specified hardware.

LAS POSITAS COLLEGE:

1. Doors PH113 and PH115A – The following is in addition to installing the specified door hardware and core:
 - Install new (owner supplied) 6/0 x 7/0 equal pair doors with door specified hardware.
 - Hang new doors utilizing existing butt hinges and closers.
 - Doors will be prepped for specified hardware.

B. Clarification:

The following question was submitted for the above-mentioned Invitation to Bid prior to the deadline and are hereby answered in this addendum.

1. If our Sub-Contractor hold a D-28 license, can we still bid this project? We have looked into the bid doc and knowing the servicing work that is required in this project, can be perform by a D-28 contractor. Please advise?

Answer: Yes. The District provides a D-28 Contractor license is valid for this project.

C. Changes:

1. Change page 33 of the Agreement changing the “Drawing and Specifications Consultant from Shannon Leigh to Opening Technologies.
2. Change page 126 of the Special Conditions, from twenty (20) rain days to Zero (0) rain days.
3. Change license requirement as listed in Addendum One (1) from a C-23 License to C28 License and/or D28 License.

All other terms and conditions remain unchanged.
