Maximizing Your Impact:
Unlocking Your Leadership Potential for
Workplace Excellence

This series of professional development webinars is informed and inspired by classified professionals' responses to the DEIA professional development needs assessment survey. The California Community College Chancellor's Office (CCCCO) would like to thank the co-sponsors of the survey, the California Community College Classified Senate (4CS) and California School Employees Association (CSEA) for their support and guidance in the design and implementation of DEIA-related professional development for classified professionals in the system.
