# JOB SEARCH SUPPORT

September 4, 2020

The economy is not at a stand still, regardless of what it may seem like. There are still companies hiring. The job search is taking longer and the process is more cumbersome. That is for sure. So now is the time to branch out, look in directions you may have ignored or brushed off before. Be open to change and let that be the start of a new career. Through it all, we're here for you - supporting you and connecting you to a new network of possibilities.

**THEY'RE HIRING**
