Jamal Cooks

Project Title \*

RISE: Course at Santa Rita Jail

1) Please estimate how far along your project is toward goal, i.e. % of completion. \*

The program was schedule to start in SU 2020. Due to Covid-19, we were unable to start working with students in Santa Rita.

2) What results are you seeing up to and through the fall 2020 term? \*

We are working on a number of tasks in order to prepare for starting the project once we are approved to work with students. We are working diligently to confirm the job description for a coordinator. However, HR will not send the draft to the consultant until we are cleared to hire the coordinator position from the district. This is challenging because I am operating as the coordinator at this point in addition to my duties as the Dean of Language Arts. In addition, we have worked with A&R and Financial Aid on a a process to have students fill out paper applications and have someone input the data into the system since scholars are unable to use laptops in Santa Rita. Moreover, we will confirm the classes and faculty teaching those classes for students. All instructors will complete a series of orientations and trainings on working with incarcerated students prior to working with the scholars.
