Acknowledgement of CalSTRS Membership Information

Education Code Section 22455.5 requires employers to provide STRS membership criteria, which includes the right to elect membership at any time while employed as part-time or as a substitute in a position requiring membership, to all employees within 30 days of their hire date, or by March 1, 1998, whichever is later.

Education Code Section 22515 requires employers to notify persons excluded from membership in Sections 22602 and 22604 of the right to elect membership while employed in a substitute or part-time position that does not qualify for membership.

Forms provided to Employee with new hire packet:

- STRS CB533 – Cash Balance Benefit Program Election
- STRS ES0350 – Permissive Membership

The employee's signature on this form certifies that he/she has received and understands the STRS membership criteria information the employer has provided.
