The district shall include in its Annual Security Report a statement advising the campus community where information pertaining to registered sex offenders may be obtained.

Sex offenders are required to register with the police in the jurisdiction in which they reside. Because the district has no campus police department, the sex offender shall register with the police of the city in which the campus is located. A sex offender who is an employee or volunteer in the district must disclose their status as a registrant upon their application or acceptance of the position if he/she/they:

- would be working directly and in an unaccompanied setting with minor children on more than an incidental and occasional basis or have supervision or disciplinary power over minor children; or
- would be working directly and in an accompanied setting with minor children and their work would require touching minor children on more than an incidental basis.

A sex offender who must register for committing a crime against a minor victim under the age of 16 is prohibited from serving as an employer, employee, contractor, or volunteer in any capacity in which the sex offender would be working directly and in an unaccompanied setting with minor children on more than an incidental and occasional basis or involving having supervision or disciplinary power over minor children.

Sex offenders who may be required to register should do so at local police department (e.g., Livermore or Hayward).

Information concerning registered sex offenders can be obtained from the City of Livermore Police Department, City of Hayward Police Department, City of Dublin Police Department, City of Pleasanton Police Department, or the Alameda County Sheriff's Office.
