Chancellor's Statement on the status of DACA

Dear CLPCCD Students and Colleagues:

Like fellow leaders within the educational community, we would like to lend our voice of support to a permanent resolution in support of our DACA students.

To quote [State Chancellor Eloy Ortiz Oakley](#), "The California Community Colleges remain committed to serving all students, regardless of immigration status, and to providing safe and welcoming environments in which to learn. We will do all within our power to assist students affected by this decision and we will advocate tirelessly in Congress for a permanent resolution to this issue."
