CALIFORNIA COMMUNITY COLLEGES
# ONLINE EDUCATION
INITIATIVE

The focus of the initiative is to ensure that significantly more students are able to complete their educational goals by increasing both access to and success in high-quality online courses and programs.
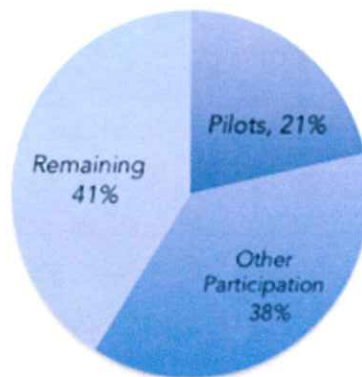

ACCESS   QUALITY   COMPLETION

January 2014 to June 2015 Update

2014-15 Overview:

Since January of 2014, the OEI transitioned from a launch team to permanent leadership, developed quality online course design standards, reviewed over 80 online courses, completed the first OEI Pilots, which focused on Online Learner Readiness and Tutoring, selected a common course management system for the state (CCMS), and began implementing the CCMS. The OEI is improving DE in California.

To date over 75 colleges within the system have participated in some aspect of the initiative. Approximately 4000 students participated in Pilots in Spring and Fall 2015.

Number of Colleges Participating in the OEI

- Pilots, 21%
- Remaining 41%
- Other Participation 38%

Guiding Philosophy:

- **Always consider what is best for students.**
- **Engage in "agile" project management.**
- **Innovation is "messy".**
- **Consider the big picture.**
- **Involve everyone in the process.**

February Professional Development Summit:

- 90 educators from the 24 pilot colleges attended
- 70 courses that were reviewed were addressed with instructional designers
- Workshops about accessibility, video production, effective teaching practices, online learner readiness and more!
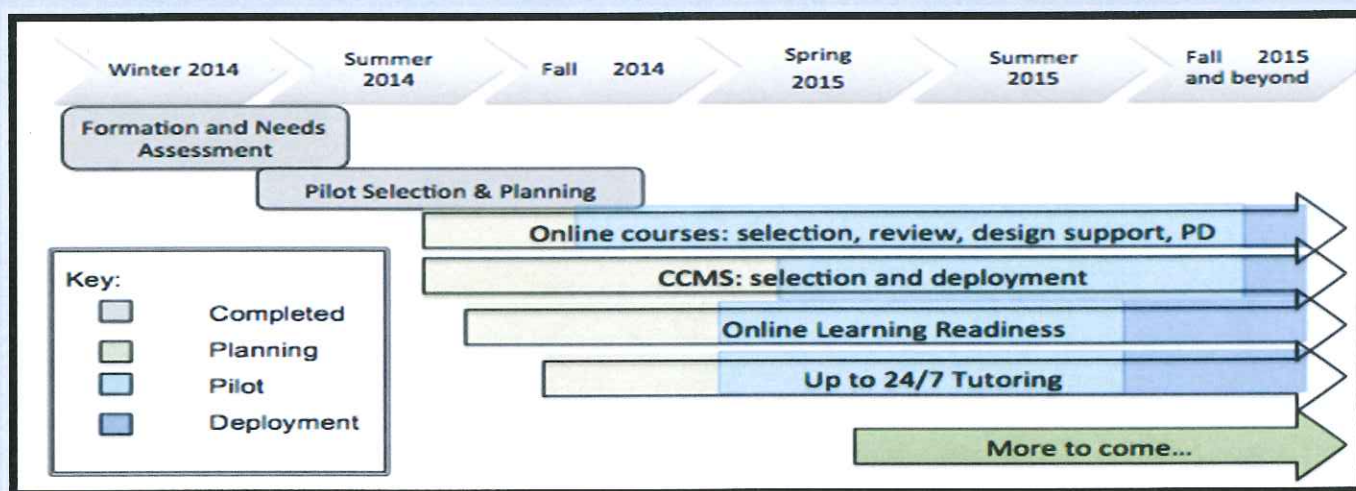

"There was a feeling of enthusiasm there that I haven't seen before. I left very positive about what we can accomplish." Bob Nash, Coastline College
