Thanks Steve. I will call you tomorrow between 11-1 to discuss the topics for Friday. Also, could you please send me a copy of your presentation at 3CBG/CISOA conference since the set of presentations that Tim Calhoun emailed us today did not contain your presentation. Thanks.

Hi Jeannine,

This Friday March 4 works for me. Let me know if you want to connect before then to discuss any items.

Looking forward to it.

Steve,

I left you voicemails to call me on my cell [925-580-0097](tel:925-580-0097) so that we can coordinate a time for a meeting with you and CLPCCD to answer some questions about the OEI with Canvas. We did have our demo on Canvas by Micah Larson on Friday 2/26. Micah substituted for Eddie Sampson who we have been in contact with. Canvas answered all the questions that we had that pertained to them and they referred us to you for some of our questions such as what training is included in the OEI contract at no costs to the colleges. Our group meets on Friday from 10:30-12:00, so I was hoping you might be available for a Webinar as we discussed at the conference. We are looking at this Friday March 4 and next Friday March 11. Can you arrange for either of those times or potentially both in order to address both colleges? Please call me to let me know what we can arrange. Thanks.
