

Colleges who were contacted the week of 3/14 and said they were available to join us in future OEI Task Force Webinars to answer questions about their Canvas migration:

1. Sierra College – Suzanne Davenport
2. West Valley College – Lisa Kaas
3. Oregon University – Nina Foix
4. Mt. San Antonio – Vic Belinski to provide DE Coordinator contact

Which other colleges on the list of 18 colleges that are migrating from Blackboard to Canvas do we want to also contact?

Is there any input from the OEI Task Force members on contacts with their colleagues regarding Canvas?
